

MERN Ham Radio Class, January 24th-25th at Salina School.

George Weber, KA0BSA, will be teaching a **two-day** Technician Class (beginner level) ham radio license class:

Part One on Saturday, January 24th from 9am to 3pm and

Part Two on Sunday, the 25th from 10am to about 2pm.

(Note: Does NOT conflict with the Super Bowl, which is on Feb. 1!)

At the Salina School, 414 Gold Run Road: Just about 3 miles west of Boulder on CO-119 / Boulder Canyon Drive you will find Gold Run Road. The Salina School is about 5 miles up from the turn off the highway.

Buy your book NOW: *Technician License Course* from HamRadioSchool.com.

Be sure you get the book for 2014 to 2018. The exam questions changed slightly after July 2014, so older books will not be the best resource.

You can get it from Ham Radio Outlet in Denver or from Amazon.com for about \$19:

Read the book before you get to class. The instructor does lots of demonstrations and answers questions you have, and you will get much more out of that by reading the book first.

There will be a break for lunch each day so everyone should bring a "brown bag" lunch and your own drinks and snacks for the day.

We will have an ARRL Volunteer Examination team come to the school **about a week later for you to take the FCC test.** We will talk about how to study for the test and you should have plenty of time to prepare. George has had very good success with past classes and everyone can pass.

Please register with George at grweber47@gmail.com so he can prepare materials. He will acknowledge your signup with a reply email.

He is looking forward to meeting all of you.
