G191: ICS/EOC INTERFACE COURSE ANNOUNCEMENT

Colorado Division of Homeland Security and Emergency Management

Course Description:

This course provides state and local emergency management officials with the knowledge and skills they need to operate an Emergency Operations Center (EOC) and interface it with an Incident Command System (ICS) field operation.

The course provides an opportunity for participants to begin developing ICS/EOC interface for their community. The course reviews ICS and EOC responsibilities and functions and depends heavily on exercise and group discussions to formulate the interface.
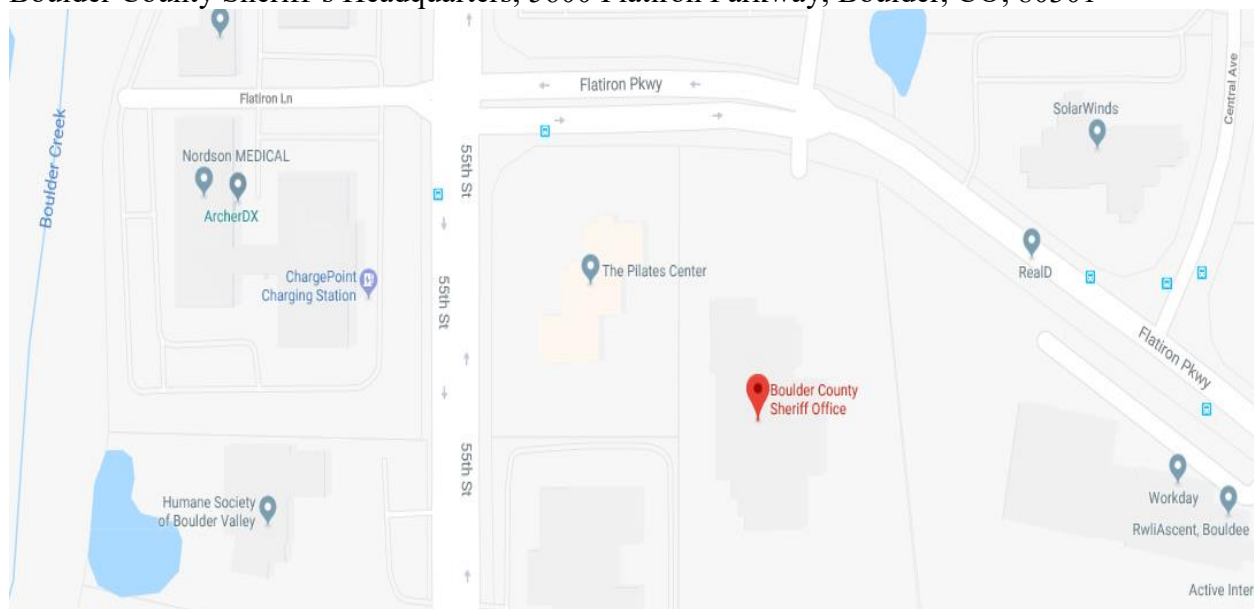

Target Audience:

Middle Management, Strike Team Leaders, Task Force Leaders, Unit Leaders, Division/Group Supervisors, Branch Directors and Multi-Agency Coordination System/Emergency Operations Staff

Register: Registration will be through CO.Train. Course ID # 1022969.

For help with CO.Train registration, contact cdps_dhsem_training@state.co.us.
